

Dementia Awareness Week: All Together Now
Sunday 22 May, 12pm – 4pm
Walthamstow Town Square, E17 7JN

The finale of a week of events to celebrate Dementia Awareness Week. We will be filling Walthamstow Town Square with music, dance, sing-a-longs and dressing up, all with a vintage flavour, for everyone to enjoy. The event is aimed at people of all ages. We will be bringing a number of older people, some of whom are living with dementia, to the event from residential homes around the borough using a vintage red routemaster bus! There will be a number of stalls giving out information and the town centre's normal farmer's market will be taking place until 2pm.
